"I forgive myself that I have allowed myself to believe that God exists(

I forgive myself that I have allowed myself to think that God exists(

I forgive myself that I have allowed myself to define love as God (

I forgive myself that I have allowed myself to define prayer as God(

I forgive myself that I have allowed myself to define hope as God(

I forgive myself that I have allowed myself to separate myself from earth(

I forgive myself that I have allowed myself to separate myself from creation(

I forgive myself that I have allowed myself to separate myself from here"

We will be one with them

Slipping from the eggs of life

They'll be with you in paradise

They'll be with you in paradise((
