I know I'm due
of trouble and pain
Inside I'm blue,
forget it wayne
to be a hero
i'm on the edge
chance nearly zero,
my life is in pledge

All kind of stuff
in my head
it wasn't enough
wrong things I said
I'm at fault
wanna cry
of an assault
hit bulls' eye

Away from here,
away from home.
Watching the sunshine
while I roam.
I'm sort of glad,
I ain't a liar.
Nothing I get
but my heart is afire!

Believe me or not
it's your decision
I'm doing squat
failing my mission.
What is tomorrow
just a noun?
Sharing your sorrow
Pipe down!

There's no present
no opportunity
I repent
some of me.
Flight of stairs

down to hell.
Who cares?
Time will tell

Away from here
away from home.
Watching the sunshine
while I roam.
I'm sort of glad,
I ain't a liar.
Nothing I get
but my heart is afire!
