"Free And Happy"

Ref.:

I just wanna be free (be free)
I just wanna be happy (happy)
I just wanna be free (be free)
I just wanna be happy (happy)

I've lost my job
'cause I was too lazy
I've got fired
without respect
Why can't people
understand my wishes
They are simple
just believe me

Ref.

To fulfill my
wishes
I went shopping
full of hope
Everything was
too expensive
I got sick
once more

There was no hope
but i finally found one
I spend my
last money
in bottles of
alcohol
for a moment
my dreams came true

Ref2.:

I just was free (was free)
I just was happy (happy)
I just was free (was free)
I just was happy (happy)

I realized
that alcohol is bad
It only
helps to forget
things for a while
It is no solution
for your live
Don't drink too much

Ref3.:

If you wanna be free (be free)
If you wanna be happy (happy)
Just talk with your friends (your friends)
They gonna help you
