Way on downtown  
The pigs check the scene  
Lay dead the sheriff  
With his head blown clean  
1809 A little child sits alone and cries  
And his father's last words Goodbye

'cos he's Johnny Boy  
His triggers of fury  
Johnny Boy  
You're about to fall  
Anytime he's around  
Be sure to catch  
The next train out of town

Doors swing open At a local bar  
A silhouette of no remorse  
He doesn't care who you are  
Takes out his guns  
Says reach for the sky  
In his father's last words  
Goodbye goodbye goodbye

He's Johnny Boy  
His triggers of fury  
Johnny Boy  
You're about to fall  
Anytime he's around  
Be sure to catch  
The next train out of town  
Get out of town

Get the fuck out of here

He's Johnny Boy  
His triggers of fury  
Johnny Boy  
You're about to fall  
Anytime he's around  
Be sure to catch  
The next train

He's Johnny Boy  
His triggers of fury  
Johnny Boy  
You're about to fall  
Anytime he's around  
Get out of town
