"Stop Time"

There you go
But you've misplaced your rain
You're like sunny days
That never change
But this pouring deep inside of me
It won't go away
Some of the days I wish
You could be the same

If I could just stop time

If I could stop time
Then we'd have the rest of our lives
And to never grow old
I'm not afraid
That one of these days
You'll throw away
The words I don't have to say

Here I am
Half a man
And I'm trying to understand
The reason why
You do these things to hurt me

If I could just stop time

If I could stop time
Then we'd have the rest of our lives
And to never grow old
I'm not afraid
That one of these days
You'll throw away
The words I don't have to say

Did they take you for a ride?
Yes it hurts but I'll be alright
I'm ok, really I'm fine
Because we're still young
We'll learn in time
Another spotlight

A different stage
Because there's no ending
There's no page
And no way
