Verse 2 >

I'm collecting drinks like
They giving me XP
Chilling with some chicks right
Digitally sexy

I see this little cutbie
Trying to catch me with her wizardry
She whispers into my my ear and says
... flawless victory

Woaahh... excuse me for a moment
Gotta press pause
Let me let me stare at your
3 dimensional textures

Baby just wait here while I
Do battle with this robot devil
When this stage is clear yes We
Can out hang in the bonus level
