I'm not who you think I am,
So don't stick to the master plan,
You are who I'm not,
You don't even have a shot!

So I'll wait for you,
Don't wait for me,
I'm not changing for shit,
Sorry babe, let me be!

(Chorus:)
You don't know me any more,
So here, I'll show you the door,
Do me a favor and don't come back,
You little-!

You don't know me any more,
So here, I'll show you the door,
Do me a favor and don't come back,
You little whore!

Don't laugh to yourself babe,
'Cause it's no joke,
Good luck in the real world,
Hope you don't choke

The world is not all candy and rainbows,
And you're not Madonna,
Promise me you won't turn back,
Even if you wanna,

(Chorus)

You don't know me any more,
So here, I'll show you the door,
Do me a favor and don't come back,
You little-!

You don't know me any more,
So here, I'll show you the door,
Do me a favor and don't come back,

You little-

You don't know me any more,
So here, I'll show you the door,
Do me a favor and don't come back,
You little whore
