Ya pokidayu vas,  
No v etot pozdnii chas

Skol'ko bit' chasam "proshyai"  
Ya uhozhu seichas  
No ya vernus' kogda

Na ladoni k vam i skazhetL "Zdravstvui!"

Kazhdii raz  
Prihozhu ya k vam prolit' teplo  
Kazhdii raz  
Prinishu ya vam svoyo dobro  
Kazhdii raz  
Unoshu s soboi chastitsu vas  
Kazhdii raz  
Prinoshu eyo i daryu seichas

Ya pokidayu vas,  
No v etoi lampy svet -  
On eshyo ne pogas,  
On gorit dlya vas  
I darit lasku  
Darit nadezhdu on,  
Chto my kogda-nibud'  
Soberyomsya zdes',
