Zdez', tam ogon'ki mel'kayut, oh.
Eto kapel'ki vody, vody.
Solnechenym hrustaltyom
Zalito vsyo krugom.
Eto leto moyo,
Raduga a gribnym dozhdyom.

Rozovaya polosa sveta
U ochertania vod
Eto foto na pamyat' leta
Mne podarila
V moi schastlivii god.

Noch'yu veter chut' kolyshit more.
Luna zagoraetsya svechoi
Kraski vo'mu s soboi
I pobegu na plyazh nochnoi.
Eto leto moyo ya zaberu soboi.

Rozovaya polosa sveta
Vecherom taet kak lyod.
Eto foto na pamyat leta
Leto ostavit i opyat' uidyot.

Kraski vo'mu s soboi
I pobegu na plyazh nochnoi.
Eto leto moyo ya zaberu soboi
