Ty parish' nad zemlei volshebnyh snov
Ty parish', ty zvezda v dnevnom kino
No lish' noch', opuskaesh' kryl'ya ty
Ty zvezda, no boish'sya temnoty

Kak tebya zovut?
Chouchou San
Chouchou San, ty vzleti k nebesam so mnoyu
Chouchou San, ty prekrasnei vseh
Chouchou San, chem vsyu zhizn' pitat'sya pyl'tsoyu
Stoit tol'ko raz daleko poletet'

Ty vzmahni posil'nei svoim krylom
Vyshe vseh poletim s toboi vdvoem
No, chtob nam kryl'ya solntsem ne spalit'
V noch' letet' nuzhno nam i tsel' najti

Kak tebya zovut?
Tsel' tvoya vidna
Kak tebya zovut?
Ty - moya mechta
