Tiho plyli v zvezdnoy pyli
Nebesnye prozhektora
Razbivaet moyj kryl'ja
Stalnoe lezvie nozha
Skol'ko raz v atake umirala I vnov voskresala
Moja netlennaja dusha

Segodnja ja prosto player
Ja ni ð¾chÑ'm ne zhaleyu

Skol'ko raz v atake umirala
I vnov voskresala
Moja netlennaja dusha

Opyat bez pravil igrayu
I na sebya prinimayu
Ogon, ogon...

I eto vse, chto ya znayu
Ya ne ischu sebe inuyu rol

Segodnja za prosto player
Ya ni o chem ne zhaleyu

Like this
I dive to the night like a black cat
Got nine lives
Go, get up, cut someone
Don't beg for your mercy
Save time for life and don't stop tryin'

Listen up, put your heads up
You gotta fight the nightmare
You gotta protect your soul
Gotta get down, fight this pressure
You gotta get down, fight your own war

Who's that?
Your worst nightmare
A girl so driven
That's livin' in this world
That's right, your worst nightmare
A girl so driven
That's livin' in this soul

So pay the price! And close your eyes, and play the
game and I'll make you cry
come on
There's no way out
She's loaded but you can never trigger
Baby this is a rush so fast
so just you can't see me
Come on now
You know I got my body take a washing through my
veins

Hah! Can't catch me now haha!
Yeah, better just break me now
Well G.O.D gonna punish me now?
Well you can never ever touch me now
cause
I am the rule
I made the rule
You betcha I'm gonna own the night
Goodbye to the one last kiss
What's more loving than sound sleep?
