Top's down on your mother's car  
Right in front of every star  
Don't you know just where you are?  
Stop! It's wonderful.

I'll admit I think you're swell,  
Nice to know you, nice you fell,  
I'm afraid you'll kiss and tell  
Stop! It's wonderful.

And I don't know just what I'll do  
'Cause I'm getting sentimental over you  
What's to do

Better start that motor, turn the key  
Promised I'd be home by three,  
Can't forget what Ma told me  
Stop! It's wonderful
