J/Weav:

Give me a call if you wanna come roll with me  
I'm only one call away

Chingy:

You could, roll with, me, if you was my baby

J/Weav:

I'm only one call away

Chingy:

You could, roll with, me, if you was my lady x2

[Chingy]

It was weird how we met, hugh? She was with her mom  
at Bank of America

With my son cashin a check so I asked out of respect,  
uh

Would she like to explore the world of I we can fly in my  
jet

Her reply was yes (Can I ask you something?)

I seen it in her eye Moma looking like all I wanted was  
sex

Then moved to the next (That aint true)

But it was something about his girls style that make me  
feel no regrets

We started off casual walks threw the park

Candle light dinners by dark, I'm thinking smart

Afraid she might think I'm in a rush to touch, clutch and  
be up

But baby I aint on that stuff Dropped her off and told  
her call me up (ring noise)

We could talk, conversate about ??? whatevers starts

So I zoomed off (car noise)

Looking bottom off my phone rang

It was her in the shower (what did she say?)

She said I couldn't do without you Then I say

[Chorus]

J/Weav:

Give me a call if you wanna come roll with me  
I'm only one call away

Chingy:

You could, roll with, me, if you was my baby

J/Weav:

Give me a call if you wanna come roll with me  
I'm only one call away

Chingy:

You could, roll with, me, if you was my lady x2

[Chingy]

Yo yo

The next day I'm with the fellas at the case playin ball  
Here she come with her friends they posted up on the wall

Now I'm showin off, tryin to dunk, tryin to dribble  
Break fast threw the middle just to see her smile and giggle

Game over I approached her with a kiss on the cheek  
The homeboys looking at me saying Lil Howard you weak

But you know how that go, what I got they want  
What I got I flaunt, never mess with it please don't  
Told her I'm goin home she asked can she go too  
I'm like yeah boo, I can't see me without you  
Got thurr I took a shower, jumped out she in the bed  
With a see-threw thong on looked at her and I said

[Chorus]

J/Weav:

Give me a call if you wanna come roll with me  
I'm only one call away

Chingy:

You could, roll with, me, if you was my baby

J/Weav:

Give me a call if you wanna come roll with me  
I'm only one call away

Chingy:

You could, roll with, me, if you was my lady x2

[Chingy]

Girl recognize game before game recognize you  
You dealin with a playa, true, now what you wanna do  
We can kick it and go puff on a blunt  
Oh you don't smoke? Grab a pint of henn and we can get drunk

Its up to you, I'm the man but baby just let me know  
Cause if you got a attitude then I could treat you just like a ho

If ya rollin with me baby hop in its enough room  
We can gaze at the stars and shine like the moon  
Give me a chance to show ya and a chance to know ya  
Just be true and theres nothing I wont do for ya  
Some women like to play it foul  
but them the kind I put in a place like a child don't worry  
be happy and smile

[Chorus]

J/Weav:

Give me a call if you wanna come roll with me  
I'm only one call away

Chingy:

You could, roll with, me, if you was my baby

J/Weav:

Give me a call if you wanna come roll with me  
I'm only one call away

Chingy:

You could, roll with, me, if you was my lady x4

[J/Weav singing]
