Bay Parkway wonder  
You're such a success  
Your pretty secretary, ha  
She say you are the best

Your face always smiling  
Say you sure paid your dues  
But I know inside  
You've got the Bensonhurst blues

Those custom-made ciggies  
That you offer to me  
Pretend and pretending  
To care about my family

And those pictures on your desk  
All them lies that you abuse  
Do they know you suffer  
From the Bensonhurst blues

Bu-bui-bui-bui-bui-bui!

Your grandmother's accent  
Still embarrasses you  
You're even ashamed  
Of the French you once knew

You're part of the chance now  
Baby you're making the news  
But I know inside  
You've got the Bensonhurst blues

But thanks for the lesson  
'Cause the life that I choose  
Won't make me feel like living  
With the Bensonhurst blues

And don't, don't try to write me  
And don't bother to call  
'Cause I'll be in conference  
Merry Christmas you all

Bu-bui-bui-bui-bui-bui!
