Here's a song  
For all the lonely people  
All over the world...

When I'm waking up I hope  
My lucky day has come.  
When I go to sleep, I weep,  
Because my dream has gone.

Guess, I'm not the only one,  
Who's feeling like I do.  
But I know that Love  
'sgonna make my dream come true,

Yeah  
Love, I believe in Love,  
Everlasting Love -  
For every one of us to share,  
Yeah  
Love, all I need is Love,  
All I'm asking for -  
In every wish, in every prayer

Every day I look around  
With Love-need on my mind  
And although it seems to be  
Something I can't find, ye-ah

There will come a time I'll meet  
The one I'm waiting for.  
Two hearts gonna beat like one  
For ever-ever more.

Yeah  
Love, I believe in Love,  
Everlasting Love -

For every one of us to share,  
Yeah  
Love, all I need is Love,  
All I'm asking for -  
In every wish, in every prayer, ye-ah

Love, all I need is Love,  
All I'm asking for  
In every wish, in every prayer,  
Wouh-uh.

Love, I believe in Love,  
Everlasting Love -  
For every one of us to share, ye-ah  
Love...
