Close the doors, light the lights.  
We're stayin' home tonight,  
far away from the bustle and the bright city lights.  
Let them all fade away.  
Just leave us alone.  
And we'll live in a world of our own.

We'll build a world of our own  
that no one else can share.  
All our sorrows we'll leave far behind us there.  
And I know you will find  
there'll be peace of mind  
when we live in a world of our own.

Oh my love, oh my love,  
I cried for you so much.  
Lonely nights without sleeping while I longed for your  
touch.  
Now your lips can erase  
the heartache I've known.  
Come with me to a world of our own.

We'll build a world of our own  
that no one else can share.  
All our sorrows we'll leave far behind us there.  
And I know you will find  
there'll be peace of mind  
when we live in a world of our own.

(musical interlude)

We'll build a world of our own  
that no one else can share.  
All our sorrows we'll leave far behind us there.  
And I know you will find  
there'll be peace of mind  
when we live in a world of our own.

And I know you will find  
there'll be peace of mind  
when we live in a world of our own!
