There's a new world somewhere  
They call the promised land.  
And I'll be there someday  
If you will hold my hand.  
I still need you there beside me  
No matter what I do  
For I know I'll never find another you.

There is always someone  
For each of us, they say.  
And you'll be my someone  
Forever and a day.  
I could search the whole world over  
Until my life is through  
But I know I'll never find another you.

It's a long, long journey  
So stay by my side.  
When I walk through the storm  
You'll be my guide, be my guide.  
If they gave me a fortune  
My pleasure would be small.  
I could lose it all tomorrow  
And never mind at all.  
But if I should lose your love, dear,  
I don't know what I'd do  
For I know I'll never find another you.

But if I should lose your love, dear,  
I don't know what I'd do.  
For I know I'll never find another you.  
Another you.  
Another you!
