"Red Rubber Ball"

I should've known you'd bid me farewell;
There's a lesson to be learned from this, and I learned
it very well.
Now I know you're not the only starfish in the sea:
If I never hear your name again, it's all the same to me.
Chorus:
And I think it's gonna be all right;
Yeh, the worst is over now;
The mornin' sun is shinin' like a red rubber ball.
You never cared for secrets I'd confide;
To you I'm just an ornament, somethin' for your pride.
Always runnin', never carin', that's the life you live.
Stolen moments of your time were all you had to give.
(Chorus)
The story's in the past, with nothin' to recall;
I've got my life to live, and I don't need you at all.
The rollercoaster ride we took is nearly at an end;
I bought my ticket with my tears; that's all I'm gonna
spend.
(Chorus twice)
Whoa, whoa, it's bouncin', and it's shinin' like a red
rubber ball.
