(m)Yo, let me tell you how I care.
When I was locked up
man I couldn't smell the piss only the scent of your hair.
(b)So why you actin so scared?
(m)Now Carmen wait let me finish,
cause you you actin'bout' as bitter as a pint of da
Guinness.
Looked on the wall at brotha's tags.
I swear they all spelled your name.
(b)That sounds good and everything, but the topic
you've changed.
If you were down for me and loved me you would get
on a plane.
(m)But you don't see that I've maintained by keeping
you on the brain. In the kitchen, mashed potatoes I
would sculpted in your face. Slanted eyes from other
guys when they would look at their plate.
You don't know how much I care.
(b)Neither do I & we can make it us against the world
like we Bonnie & Clyde.
(m)You tryna make it seem like it's all on me. Like I
wasn't locked up eating three, but I'm not mad cause
being with you just reminds me I'm free. I'll do anything
except go back to cell block "c". Stop actin' Miller on
me.
Now Carmen what you need to do is don't make me
choose.
I'm not sayin' that you'll lose, but what else do I have to
prove?
(b)I never asked you for anything.
(m)So why start now? I'm tryna be with you forever, but
lockdown, I'm not down. I'm barely a cop now and you
all hostile. Twenty hours at a time I think of your
eyebrows. The other four your high smile. Your style
was meant for my style.
(b)I feel you baby, but I only have now. It's like you tame
and I'm wild. You scared of a trial.
I'm tryna see fame, get in the game before I throw in
the towel.
(m)It's like?
(b)It's this, you know you actin' like a little...

(m)You better say snitch!!!
(b)Was gonna say boy. You really a trip.
Or rather no trip. No heart and no grip. Your heart you
need to go with.
(m)Apart we're gonna blow it. No P.O., No C.O.E.D., NO
me and you together.
(b)If not for me then baby please just do it for the
weather!!!
