[Ghostface]

Yeah.. whassup y'all, whassup?

This is Ghostface, straight from Staten Island

You know.. I don't really mean no harm..

but it just happens you know

when I step approach a motherfuckin wack nigga..

that tryin to spit his darts and can't spit 'em

Check it out though.. aiiyo..

Scientific, my hand kissed it

Robotic let's think optimistic

You probably missed it, watch me dolly dick it

Scotty watty cop it to me, big microphone hippie

Hit Poughkeepsie crispy chicken verbs throw up a stone
richie

Chop the O, sprinkle a lil' snow inside a Optimo

Swing the John McEnroe, rap rock'n'roll

Tidy Bowl, gung-ho pro, Starsky with the gumsole

Hit the rump slow, parole kids, live Rapunzel

but Ton' stizzy really high, the vivid laser eye guide

Jump in the Harley ride, Clarks I freak a lemon pie

I'm bout it, bout it - Lord forgive me, Ms. Sally shouted

Tracey got shot in the face, my house was
overcrowded

You fake cats done heard it first

On how I shitted on your turf

at times, Cuban Link verse yo

Check out the rap kingpin, summertime fine jewelry
drippin

Face in the box, I seen your ear twitchin

As soon as I drove off, Cap' came to me with three
sawed-offs

Give one to Rae', let's season they broth

Lightning rod fever heaters, knock-kneeder Sheeba for
hiva

Diva got rocked from the receiver bleeder

Portfolio, lookin fancy in the pantry

My man got bigger dimes son, your shit is scampi

Base that, throw what's in your mouth, don't waste that

See Ghost lampin in the throne with King Tut hat

Straight off

Yeah.. yeah..
I just wan't y'all niggaz
to smack all y'all niggaz, and niggarettes
Universal death threats, yeah
This be the God Body, yeah no doubt
Judge Wise

Aiyyo spiced out Calvin Coolidge, loungin with 7
duelers
The Great Adventures of Slick, lickin with 6 rugers
Rock those, big boy Bulotti's out of Woodridge
Porch for the biggest beer, season giraffe ribs
Rotissiere ropes, hickory scented mint scented glaze
Perfected find truth within self, let's smoke
All hail to my hands, 50 thou' appraisal
Dirty nose with the nasal drip, click flipped on fam
Dancin with Blanch and them bitches, flickin goose
pictures
Kick down the ace of spades, snatch Jack riches
Olsive compulsive lies flies with my name on it
Dick made the cover now count, how many veins on it
Scooby snack jurassic plastic gas booby trap
Ten years workin for me, you wanna tap shit?
Bung bung bung! Your bell went rung rung rung!
Staple-Land's where the ambulance don't come

Yeah, you see what I mean?
You see what I mean, you motherfuckin crybabies?
Get in line punk! You should be studyin your odds
instead of studyin me!
That's how you lost your first job punk
Now get in line, for you get your lil' thick-ass tossed up!
Shit! I studied under Bruce Lee nigga
He was on the fourth, I was on the third

[RZA]

Pass me a honey-dipped spliff, black mental cause
continental drift
One whiff of Pow U gets my Divine stiff
Brick rock, late night, hear the tick tock of my clock
I used to run up and pick, a crab lock
Hit his stash, dip back, to the Lab, make him flip
Uptown, BOO-DOOP, now we back on your ass
Incognito, fatal aikido blow, pop a needle
Dick a knock-knee hoe, bust out her fetal
Nine inch long strong, Bobby pop the bitch thongs
Spit on her, then I banged on my chest like Kong King
Merciless Meng, point the killa bee sting
ring DINGS, right through your head BING
Snap the wing off of bats, my battleaxe tongue hacks

tracks
Once the ball drop, I'ma snatch ten jacks
Pass the crack to a niggarett, puff a looseleaf
cigarette
while your man search the internet for +Bob Digitech in
Stereo+
Crazy as Shapiro
Multiply myself ten times standin next to zero
And snap my fingers like the Fonz
and bag me a golden bronze skinned girl with the
honey blonde
dip hair, make a nigga flip in his chair
Had the armpit shaved off perfect with the Nair
Stomach fat as a pancake for her man's sake
Used to fuck her when she menestraute
but it made her hyperventilate

[Ghostface]

I know, I know, I know, I know, I know
