Mama used to always tell me not to get in fights  
Papa used to always tell me not to walk dark nights  
Nana used to always tell me turn off all the lights  
Grandpa used to always tell me

Not to fly my kites in a hurricane  
Maybe Grandpa was only slightly sane  
But his advice helped me the most of all  
Cos thanks to him I shall never fall  
Off my chair or knot my hair  
So Grandpa I'm sorry you had to leave  
But your always in my heart  
You star

Hey I'm Bonnie. This is my new single dedicated to  
Grandpa.  
I miss you so much honey. Mwah!
