I didn't wanna know the truth
Didn't wanna hear the lies
Didn't wanna feel the pain
Didn't wanna see the light

I know that I've been weak
And you know the reason why
I never could resist
Your smile and those blue eyes

It was love, and now it's war
No time for weakness anymore
Your tricks won't work on me
I got a foolproof strategy
I'm gonna use my common sense
Baby, that's my best defense
It was love, and now it's war
This is my heart I'm fightin' for

I don't need time to heal
I don't need time to cry
I don't need your best friend
To come and testify

So just lay down your arms
Forget our last crusade
I'm walkin' out the door
To lead my victory parade

It was love, and now it's war
No time for weakness anymore
Your tricks won't work on me
I got a foolproof strategy
I'm gonna use my common sense
Baby, that's my best defense
It was love, and now it's war
This is my heart I'm fightin' for

It was love, and now it's war
No time for weakness anymore
Your tricks won't work on me

I got a foolproof strategy
I'm gonna use my common sense
Baby, that's my best defense
It was love, and now it's war
This is my heart I'm fightin' for

It was love, and now it's war
This is my heart, my heart (my heart) I'm fighting for
