Little boxes on the hillside

Little boxes made of ticky-tacky

Little boxes, little boxes,

Little boxes all the same

There's the green one and the pink one

And the blue one and the yellow one

And they're all made outta ticky-tacky

And they all look just the same

And the people in the houses

All go to the university

And they all get put in boxes

Little boxes all the same

And there's doctors, and there's lawyers

And business executives

And they're all made outta ticky-tacky

And they all look just the same

And they all play on the golf course

And drink their martinis dry

And they all have pretty children

And the children go to school

And the children go to summer camp

And then to the university
And they all get put in boxes
And they all come out the same
And the boys go into business,
And marry and raise a family,
An they all get put in boxes,
Little boxes all the same,
There's a green one and a pink one,
And a blue one and a yellow one,
And they're all made outta ticky-tacky,
And they all look just the same.
