Oh, love, what has become of me?
I'm sure missing your company.
Your day's beginning; my day's about to end.
You are so much a part of me;
You are the soul and the heart of me.
I find myself thinkin' of you time and again.

[Chorus:]

Oh, love, when you are far away,
I can't disguise
The way that I'm feeling when I get those faraway eyes,
Time and again.

Your voice sounds a world away;
You say you'll be home any day.
And I'll be here waiting, counting the hours 'til when.
I hear your footsteps at the door,
As you, me, waltzing around the floor;
Back in your arms, loving you time and again.

[Chorus]

You are so much a part of me;
You are the soul and the heart of me.
I find myself thinkin' of you time and again.

I find myself thinkin' of you time and again.
Do you find yourself thinkin' of me time and again?
