Fred Kirby)

O' this world is a at a tremble

With its strength and mighty power

They're sending up to heaven

To get the brimstone fire

Take warning my dear brother

Be careful how you plan

You're working with the power

Of God's own holy hand

CHORUS

Atomic power

Atomic power

Was given by the mighty hand of God

Atomic power

Atomic power

Was given by the mighty hand of God

You remember two great cities

In a distant foreign land

When scorched from the face of earth

The power of Japan

Be careful my dear brother

Don't take away the joy

But use it for the good of man

And never to destroy

CHORUS

Hiroshima, Nagasaki

Paid a big price for their sins

When scorched from the face of earth

Their battle could not win

But on that day of judgment

When comes a greater power

We will not know the minute

And we will not know the hour

CHORUS
