Phil Ochs/Jello Biafra/The Toadliquors)

I cried when they shot John Lennon  
Tears ran down my spine  
And I cried when I saw "JFK"  
As though I'd lost a father of mine  
But Malcolm X and Ice-T had it coming  
They got what they asked for this time

#### CHORUS

So love me, love me, love me  
I'm a liberal

I go to pro-choice rallies  
Recycle my cans and jars  
I'll honk if you love the Dead  
Hope those funny grunge bands become stars  
But don't talk about revolution  
That's going a little bit too far

#### CHORUS

I cheered when Clinton was chosen  
My faith in the system reborn  
I'll do anything to save our schools  
If my taxes ain't too much more  
And I love blacks and gays and Latinos  
As long as they don't move next door

#### CHORUS

Rush Limbaugh and the L.A.P.D.  
Should all hang their heads in shame  
I can't understand where they're at  
Arsenio should set them straight  
But if Neighborhood Watch doesn't know you  
I hope the cops take your name

#### CHORUS

Yeh, I read the New Republic(an)

Rolling Stone and Mother Jones too  
If I vote it's a Democrat  
With a sensible economy view  
But when it comes to terrorist Arabs  
There's no one more red, white and blue

CHORUS

Once I was young and had an attitude  
Stickers covered the car I drove in  
Even went on some direct actions  
When there weren't rent-a-cops to be seen  
Ah, but now I've grown older and wiser  
And that's why I'm turning you in

CHORUS
