Shake that, drop it, drop it
Shake that, drop it, drop it
Shake that ass, drop it

Iâ€™m in cod of shrooms
Half of bottle of henny, my bitch never been to miami
She throwing my money to me, pockets on ce loo
Sirock in the booty, she said I ainâ€™t gotta throw a
dollar
My girl make her gooey bitch
Lick your macbook screen, when you see me on it
Iâ€™m in lsd of aod, no way
Bitch, lick your macbook screen, when you see me on it
Iâ€™m in cod of lsd, all these bitches love me

[Hook] x 2

I make a bitch pay for a lap dance
Shake that ass, shake shake that ass
You know I make a bitch pay for a lap dance
Pop that pussy, pop, pop that pussy

Make that ass pop, like my cock on the zipper
She was searching for some real love, real buzz, you
feel?
I was on her mind like a kango
Fin nigga my way into a tangle while hurting a stranger
And that pussy is a lion, Iâ€™m the tame I put my dick out
on that hoe
But can you see me, can you see me, â€¦freaking with
me, freaking with me
No, I donâ€™t got no money, but I least I know a bitch up
in this club
That wanna fuck me
So I owe you, baby bust it open like a bag of chips
Sag a bitch, tell me can you handle it
If Iâ€™m getting too frisky tell me
Donâ€™t be snitching to your managers
You could see Iâ€™m on drugs,
So donâ€™t try to take advantage of my kindness
Cause Iâ€™ll switch up on your ass like the green
avenger

Do it just like that, do it just like that
I need a A...in my world, made me come all in my pants
Clean me up and take me home
Do it just like that, do it just like that
I need a A...in my world, made me come all in my pants
Clean me up and take me home

Yeah, even at rock bottom, the dose can get it poppin
So proper we on our job, lame bitches we just crop
them out
Or sleepless nights, till I get about my daddy house
These suckers salty, I spit the game and fuck they
spouse
Roll up the dody, and watch the days greeze by
Plottin on my future, gangster leanin in the clean ride
She give me that oral, for moral support, I grip them
thighs
She bumping plies, that ainA't my vibe, my body get
stoned with slide
She catching feelings now, to me that ainA't no supply
Just keep it on a low engine stay loyal like you
simplified
She catching feelings now, to me that ainA't no supply
Just keep it on a low engine stay loyal like you
simplified

[Hook] x 2

Bitches donA't play stupid if you smell kush is juicy
Hundred clips, thatA's a movie, thatA's a tec and a uzzi
Pull up in a bentley coup missin roof and you knew it
I pull up in that new rarrri stood no roof and itA's foolish
IA'm in guccis not nikes, but I still look like a check
Till I pulled up in this lambo, you looked cool in your vet
ItA's juicy g the og, IA'm rolling road the sticky
All I got is goons and model bitches with me
Dancing for tuition, get money is a mission
IA'm smokin and IA'm sippin, they thirsty
Robin gimmins, I can save her hoe, no preacher like
mase
Screaming fuck you pay me, with dick up in her face

[Hook] x 2

Pop that pussy, pop, pop that pussy
