I, I work [Incomprehensible] fingers to the bone
And you know
I'm slipping down so low

Getting down on my knees
Yeah, praying for release
Lord, won't you help me

I, I work [Incomprehensible] fingers to the bone
And you know
I'm slipping down so low, so low, so low

And I feel the weight dragging down on me
There's redemption coming that I seek
I can't close my eyes, close my eyes to see
This is what it means to bleed

For what you love
So let me bleed

I, I work [Incomprehensible] fingers to the bone
And you know
I'm slipping down so low

Getting down on my knees
Yeah, praying for release
Lord, won't you help me

I, I work [Incomprehensible] fingers to the bone
And you know
I'm slipping down so low, so low, so low

And I feel the weight dragging down on me
There's redemption coming that I seek
I can't close my eyes, close my eyes to see
This is what it means to bleed

For what you love
So let me bleed

So I lay my burden down
This is what it means to bleed, yeah

So I lay my burden down
This is what it means to bleed

So I lay my burden down
This is what it means to bleed, yeah
Oh Lord, won't you help me
Lay my burden down

Alright, yeah
Lay my burden down
