youre just too good to be true
cant take my eyes off you
you feel like heaven to touch
oh i wanna hold you so much
at long last love has arrive
and i thank god im alive
youre just too good to be true
and i cant take my eyes off you

pardon the way that i stare
theres nothing else to compare
the thought of you makes me weak
there are no words left to speak
but if you feel what i feel
then please let me know that its real
youre just to good to be true
cant take my eyes off you

i love you baby and if its quite alright i need you baby
you warm my lonely nights
i love you baby trust in me when i say
oh pretty baby dont let me down i pray oh pretty baby
now that i found you stay now let me love you baby let
me love you
