Crimson and white
Four days and forty nights
In the cradle
Back and forth

Fall in the well
Float on the carousel
Could you please
Roll over me

Don't shy away, come closer
Lie down in the grass with me awhile
My only love, I need you

To stop counting cards
Look up and drive the car
For the both of us
Could you please

Take control
Take control
Take what you can
Baby make an honest man out of me

Crimson and white
All good will come with time
To the ladies of Levanway

Don't shy away, come closer
Lie down in the grass with me awhile
My only love, I need you

To shoot from the hip
With just cause and rightwing tips
Get you nowhere
Just back and forth

Take control
Take control
Take what you can
Baby make an honest man out of me
