Every day you treat me right
Every night i go with you
Lookin' for the women stand
Gotta be this is true to you
Yes i don't care what you think, what you say
Yes i don't care what you find
I don't care what you supposed to be
I'll be with you through every night

T'es qu'un vieux loose con d'troll
Ecoute un peu P.Troll

Ev'ry night you call me on the phone
Ev'ry night and day
I'm supposed to be "in hot"
Believe in me, girl, that's my way
I gotta go girl, climb this mountain high
I don't care what you're doin' babe
What you're doin ev'ry night!!
