I heat up, I can't cool down
You got me spinnin'
'Round and 'round
'Round and 'round and 'round it goes
Where it stops nobody knows

Every time you call my name
I heat up like a burnin' flame
Burnin' flame full of desire
Kiss me baby, let the fire get higher

You make me hot, you make me sigh
You make me laugh, you make me cry
Keep me burnin' for your love
With the touch of a velvet glove

I feel the magic in your caress
I feel magic when I touch your dress
Silk and satin, leather and lace
Black panties with an angel's face

I see magic in your eyes
I hear the magic in your sighs
Just when I think I'm gonna get away
I hear those words that you always say

Every time you call my name
I heat up like a burnin' flame
Burnin' flame full of desire
Kiss me baby, let the fire get higher
