You can dance  
Take a chance  
On the floor tonight  
Step aside  
turn and glide  
All your moves are right  
Take me down  
To the sound  
That is playin' tight  
U R MINE  
And I shine bright

You got style  
You are wild  
(Girl) you're never tired  
You get high  
And you fly  
(I) wanna hitch a ride  
Keep me on  
For the song  
Only you know why  
U R MINE  
And baby I'm on fire  
You can run  
You can hide  
Anywhere you want  
I'll be behind  
I'm your find  
I can feel your vibe  
Let us climb  
To the lime  
And then take a dive  
U R MINE  
And (baby) I am alive

You're the Strum Back  
To my Drum Track  
In the City Lights  
You're a Pretty Sight

When you're mine, babe

All the world is ALIVE
