You must not know me at all
If you think that I'm gonna keep holding on
Holding on to something that's already gone
I wasted too much time

I poured my heart out trying to convince you
Of all the things you were supposed to do
So I'll leave no questions unanswered for you
Yeah I'll make it simple

(Chorus)
'Cause I feel like
You oughta know that
I need, more than, I've been getting
Out of you
I'm tired of excuses
This is useless
So now
I'm breakin' it down

You look at me like you don't understand
You promise you'll try to be a better man
I'd love to believe you
But I can't take that chance
So now I'm letting go

(Repeat Chorus)

So I'm breakin' it down step by step
Line by line
I'm breakin' it down so you'll know I
Was crumbling to the ground

(Repeat Chorus)

I'm breakin' it down
I'm tired of excuses
This is useless
So now
I'm breakin' it down
