Here I am, There You are
tangled up with her
in our bed, in our bedroom

I Loved you with Everything inside of me,
wasn't that enough? Enough for You?
Now There's Nothing I can do...

If I could pull you back
from where you've been,
I would but you've left me no reason left to fight...
You've crossed a line you can't uncross.
You've made a choice and now there's no way to ever
make it right.
If my tears had any power,
I would Cry, I Would Cry...

I Don't Wanna to know her name,
Or that it happened only once
Don't wanna Hear your excuse

Did You Think about our Home,
Our Lives, & All We Had?
Or did you just forget You Had So Much To Lose?
No, There's Nothing You can Do...
If I could pull you back
from where you've been,
I would but you've left me no reason left to fight...
You've crossed a line you can't uncross.
You've made a choice and now there's no way to ever
make it right.
If my tears had any power,
I would Cry, I Would Cry...

You've crossed a line you can't uncross.
You've made a choice and now there's no way to ever
make it right.
If my tears had any power,
I would Cry, I Would Cry,
I would Cry, I Would Cry...
