It's Time by Dalley Amy

Picked a day on the calender
Marked it with a big red star
That's the day I'm over him
That's the day I take back my heart
I don't know if I'm ready
To let him go just yet
But I know I should
And I said I would
There's only five days left

(Chorus)

It's time
To find my way
To break these chains
I can't wait
There comes a day
You know you'll be alright
It's time
To face it
It's time
To let it go
This time
It's time for a whole new life
It's time

I'm planning a great big party
To celebrate the end of us
Have a drink of pink champagne
Wash away the damage done
I don't know who's out there
I don't know what my heart will find
I don't know whether I'll love again
But I can't wait to try

(Repeat Chorus)

Yeah
Whoo

It's time
To face it
It's time
To let it go
This time

(Repeat Chorus)

It's time
