He was a bad boy and I was a good girl
He needed me to smooth out the edges
He'd get his drink on and flirt with the ladies
After two years of his crap, I quit begging

I'm a magnet for the fixer upper man
If I know it's fire, why do I let it burn my hand

Cupid works for the devil, be suspicious if he cries
You know, sex is usually good, yeah, but it ain't always
right
Chocolate is a band-aid and no matter what they say
Shoes don't stretch and men don't change

My friend Lisa, she loves a liar
She found about his other girlfriends
He makes excuses so she forgives him
She swears, she's gonna leave if he screws up again

But he's good looking that's why she don't see
He's got her exactly where he wants her to be

Cupid works for the devil, be suspicious if he cries
You know, sex is usually good, yeah, but it ain't always
right
Chocolate is a band-aid and no matter what they say
Shoes don't stretch and men don't change

I just met a brand new guy
So far so good
I hope, he don't change at all

Cupid works for the devil, be suspicious if he cries
You know, sex is usually good, yeah, but it ain't always
right
Chocolate is a band-aid and no matter what they say
Shoes don't stretch and men don't change
