Yeah, he looks just like a young Mel Gibson  
He's got great cheek bones,  
and sure I'll admit it  
I wish i saw him first

You've known him now for a whole 2 weeks  
do you really think you otta give em that key,  
to your apartment

well he could be a good lookin serial killer,  
for all you know  
He says he comes from money  
but he'd rather make it on his own

[CHORUS]

your dreamin to fast  
your thinkin with your heart  
you got a whole team a horses ahead of your cart  
your common sense went south,  
your out of control  
Dont beleive all you hear (dont)  
do all you can (dont)  
give all you have (dont)  
tell all you know  
your gonna bet the farm on romeo

so this summer hes gonna take ya to Paris  
and your credit card  
bought the clothes he's wearin'  
now how does that work..

I do admir your enthusiasm  
I'm sure your right when it comes to passion  
hes a love machine

do you need to defold all the details of your past  
and that sexy picture you gave them,  
now whats he gonna do with that

CHORUS

oh dont be mad

I like tattoos  
but come on,  
do you, really think you need one too

CHORUS
