It was supposed to be a martini kind of night
Well here come crazy Katie
With her skirt jacked up real high
She said let's get out of here
Really do this thing right
I'd rather be in a honky tonk tonight

(Chorus)

Somebody started riding that bull
And that's what set the pace
Shots slamming led to booty dancing
With every loser in that place
We all got a little fearless
Then the band got loud
It was all thump thump so Katie got up started workin'
the crowd
It was a flirtin' with trouble losin' your mind
Country crunkin' hellagood time
Saturday night situation

Well it got a little ugly around midnight
We looked around and found Katie dancing with two
guys at a time
I knew what would happen next and then somebody
started swingin'
How'd we wind up here again

(Repeat Chorus)

Blue lights flashin'
Officers with badges
Start at the beginning
Don't leave nothing out

(Repeat Chorus)

A flirtin' with trouble losin' your mind
Country crunkin' hellagood time
Saturday night situation
We were just gonna come in here
Have a good time

And nobody was gonna get hurt
Yeah, yeah
Saturday night situation
