(Chorus:)

I feel no shame
I'm proud of where I came from
I was born and raised in the boondocks
One thing I know
No matter where I go
I keep my heart and soul in the boondocks

And I can feel
That muddy water running through my veins
And I can hear that lullaby of a midnight train
It sings to me and it sounds familiar

(Chorus)

And I can taste
That honeysuckle and it's still so sweet
When it grows wild
On the banks down an old camp creek
Yeah, and it calls to me like a warm wind blowing

(Chorus)

It's where I learned about living
It's where I learned about love
It's where I learned about working hard
And having a little was just enough

It's where I learned about Jesus
And knowing where I stand
You can take it or leave it, this is me
This is who I am

Give me a tin roof
A front porch and a gravel road
And that's home to me
Feels like home to me

(Chorus)

I keep my heart and soul in the boondocks.....

You get a line, I'll get a pole
We'll go fishing in the crawfish hole
Five-card poker on Saturday night
Church on Sunday morning

(2x)

You get a line, I'll get a pole
We'll go fishing in the crawfish hole
(Down in the boondocks)
Five-card poker on a Saturday night
(say a little prayer for me)
Church on Sunday morning

Say a little prayer for me
