Oh girl, when you coming back to me?
Oh girl, when you coming back to me?

My hand are shaking and my mouth is dry
You walked away from me honey and I don't know why
If you don't know, and baby you don't see
That I was made for you, and you were made for me

I said I can't stop thinking bout how I let you go
We had it all on the line, I had nothing to show
And now I call you up, I wanna hear your voice
But when I push the buttons, my hands start shakin'

You gotta save me, baby!
You gotta save me, lately!
You gotta save me, baby!
You gotta save me, lately!

Oh girl, when you coming back to me?
Oh girl, when you coming back to me?

My feet keep slipping as I hit the floor
And I don't know what it is I'm looking for
I tried to make it fast, you had to take it slow
And then before I knew it, you were already gone

I said my hands are sticky my mouth is dry
You walked away from me honey and I don't know why
You don't know, and baby you don't see
That I was made for you, and you were made for me

You gotta save me, baby!
You gotta save me, lately!
You gotta save me, baby!
You gotta save me, lately!

Oh girl, when you coming back to me?
Oh girl, when you coming back to me?

You gotta save me, baby!
You gotta save me, lately!

You gotta save me, baby!
You gotta save me, lately!
You gotta save me, baby!
You gotta save me, lately!
You gotta save me!
