The musics playing  
Her favourite song  
The one she loves to hear  
Since he came along

Danny sang a love song  
To my little girl  
Told her all sweet nothings  
That made her toes curl

And she fell for his charms  
From my heart into his waiting arms

Danny sang a love song to my girl

Danny sang a love song  
And stole her heart  
Hook line and sinker  
And tore us apart

Oh she fell for his eys  
Cause you see right through his pack of lies  
Danny sang a love song to my girl

We vowed to be together till eternity  
How could a simple love song  
Break a perfect harmony  
I really can't believe  
You would ever leave  
Oh baby please don't go

Danny sang a love song to my girl

Danny sang a love song to my little girl  
Full of empty promises  
Diamond rings and pearls

And she fell for his charms  
From my heart into his waiting arms

Danny sang a love song

Danny's doing her wrong  
Danny sang a love song to my girl
