Can't believe you got that attitude
You've been so cold and blue
Babe when you gonna give it up
Tell me, are we breaking up?

I know, what you wanna do
You wanna leave me, do you?
Dreamer, Dreamer
Dreamer, Dreamer

You've been tellin' everyone and all
Just how I'm gonna fall
When I do you gonna be right there
To walk away and show me you don't care

I know, what you wanna do
You wanna leave me, do you?
Dreamer, Dreamer
Dreamer, Dreamer

I remember when
She was in my skin
Always wearin' thin
She thinks she's gonna win
