Iâve traveled all over this world  
And now to another I go  
And I know that good quarters are waiting  
For to welcome old Rosin the Beau  
To welcome old Rosin the Beau  
To welcome old Rosin the Beau  
And I know that good quarters are waiting for  
To welcome old Rosin the Beau  
When Iâm dead and laid out on the counter  
A voice you will hear from below  
Saying "Send down a hogshead of whiskey  
To drink with old Rosin the Beau"  
Then get a half dozen stout fellows  
And stack them all up in a row  
Let them drink out of half gallon bottles  
To the memory of Rosin the Beau  
Then get this half dozen stout fellows  
And let them all stagger and go  
And dig a great hole in the meadow  
And in it put Rosin the Beau  
Then get ye a couple of bottles

Put one at me head and me toe  
With a diamond ring scratch upon them  
The name of old Rosin the Beau  
Iâve only this one consolation  
As out of this world I go  
I know that the next generation  
Will resemble old Rosin the Beau  
I fear that old tyrant approaching  
That cruel remorseless old foe  
And I lift up me glass in his honor  
Take a drink with old Rosin the Beau
