[Verse 1:]

I know I cant take it back,
Back to the day when we were so happy,
Girl,
Now I dont know how to act,
Everything changed,
Aint nothing the same,
Oh baby,

Used me to send me text's with XO's
Charge up ya macy's to buy me clothes,

Everything you did because you really love me,
Girl I really hate that I let you down,

Pre Chorus

And I know it aint,
Easy for you,
Like it aint,
Easy for me,

But the doors wide open,
And I'm hoping,
That you come back,
But if you don't,

[Hook:]

Gotta keep my head up,
And know that imma be alright,
Just cause your not in my life,
It dont mean I wont be alright,

If I could just hold on,
Be strong,
A little bit longer,
Then I can move on,
Pickin up pieces of a broken heart aint easy,
But you gotta move on

[Verse 2:]

I couldnt get the carat in diamond ring,

afford none the expensive things,
I couldnt pick you up in the hoop,
my support was overdue,
And the people put a hold on me,

I cant get them creditors up off my back,
Until I straighten up my act,
See I couldnt figure it out by myself,
That why i was reaching for your help
