Mary had a baby a oh my lord
Mary had a baby a oh my lord
Mary had a baby a oh my lord
born,born in betlaham

The hay is his pillow, the manjor his bed
The beast stand and wonder to gaze on his head.
Yet there where he lies hes so weak and so poor.
Come shepard and wisemen to kneal at his door.

Mary had a baby a oh my lord
Mary had a baby a oh my lord
Mary had a baby a oh my lord
Born,Born in bethlaham

The glory surrounds him with angels on high
and "peace upon earth" heavenly voices reply
Now come little children to hear what they say
and glad to the world on that first chirstmas day.

Mary had a baby a oh my lord
Mary had a baby a oh my lord
Mary had a baby a oh my lord
Born,Born in betlaham

Mary had a baby a oh my lord
Mary had a baby a oh my lord
Mary had a baby a oh my lord
Born,Born in betlaham
