I set out on a narrow way  
Many years ago  
Hoping I would find true love  
Along the broken road

But I got lost a time or two  
Wiped my brow, kept pushing through  
I couldn't see how every sign  
Pointed straight to you

But every long lost dream  
Led me to where you are  
Others who broke my heart  
They were just northern stars

Pointing me on my way into your loving arms  
This much I know is true  
That God blessed the broken road  
That lead me straight to you

I think about the years I spent  
Just passin' through  
I'd like to take the time I lost  
And give it back to you

But you just smile and take my hand  
You've been there, you understand  
It's all part of a grander plan  
That is coming true

That every long lost dream  
Led me to where you are  
Others who broke my heart  
They were just northern stars

Pointing me on my way into your loving arms  
This much I know is true  
That God blessed the broken road  
That lead me straight to you  
Straight to you

Now I'm just running home into my lover's arms

This much I know, I know it's true  
That God blessed the broken road  
And led me straight to you  
Yes, God blessed the broken road  
And led me straight to you  
Straight to you
