There were photographs I wanted to take  
Things I wanted to show you  
Sing sweet lullabies, wipe your teary eyes  
Who could love you like this? People say that I am brave  
but I'm not  
Truth is I'm barely hanging on  
But there's a greater story  
Written long before me  
Because He loves you like this

So I will carry you  
While your heart beats here  
Long beyond the empty cradle  
Through the coming years  
I will carry you  
All my life  
And I will praise the One Who's chosen me  
To carry you

Such a short time  
Such a long road  
All this madness  
But I know  
That the silence  
Has brought me to His voice  
And He says "I will carry you"

I've shown her photographs of time beginning  
Walked her through the parted seas  
Angel lullabies, no more teary eyes  
Who could love her like this?

I will carry you  
While your heart beats here  
Long beyond the empty cradle  
Through the coming years  
I will carry you  
All your life  
And I will praise the One Who's chosen Me  
To carry you
