Deep as the ocean, Bright as rain
This powerful emotion lifts me up above the planes
It's taken me to places I never thought I'd go
Showing me a grace I never thought I'd know

When I feel like I can't go on
You deliver me
When the road is winding and way too long
You deliver me
You deliver me

I feel like a sinner, my sins have been washed clean
I'm absolutely given, this heart has never seen
I must be forgiven sometimes asking why
I was chosen to be given you in this life

When I feel like I can't go on
You deliver me
When the road is winding and way too long
You deliver me
You deliver me

When there's a distance
Between what I am and who I want to be
You deliver me

When I feel like I can't go on
You deliver me
When the road is winding and way too long
You deliver me
You deliver me

When I feel like I can't go on
You deliver me
When the road is winding and way too long
You deliver me
You deliver me
