10/ Crazy Sufferin' Style - Selah Sue (SANNE PUTSEYS / SANNE PUTSEYS)

But she's never gonna fit you  
I can see it is right  
With that look in your eyes  
Yeah she's never gonna fit you  
And I know you will try  
With that look in her eyes  
But she's never gonna hit ya  
And you know that it's right  
I can see in your eyes That she's never gonna be your lover

Crazy sufferin' style with that look in your eyes  
Crazy sufferin' style with that look in your eyes  
Crazy sufferin' style with that look in your eyes  
Crazy sufferin' style

And she's never gonna stop ya  
And I know that in time  
You will make up your mind  
That she's never gonna be your lover, see it yeah  
But she's never gonna get ya  
Even though she is nice  
I can see in her eyes  
But she's never gonna be your lover

Crazy sufferin' style with that look in your eyes  
Crazy sufferin' style with that look in your eyes  
Crazy sufferin' style with that look in your eyes  
Crazy sufferin' style

I am pretty much what you're looking at  
I am pretty much what you're looking for

Crazy sufferin' style with that look in your eyes  
Crazy sufferin' style with that look in your eyes

Crazy sufferin' style with that look in your eyes  
Crazy sufferin' style

And she's never gonna stop ya  
And I know that in time  
You will make up your mind  
And she's never gonna be your lover, see it yeah  
But she's never gonna get ya  
Even though she is nice I can see in her eyes  
That she's never gonna be your lover

Crazy sufferin' style with that look in your eyes  
Crazy sufferin' style with that look in your eyes  
Crazy sufferin' style with that look in your eyes  
Crazy sufferin' style
